HOW TO GET THERE

Tippecanoe River State Park is located on US 35 a few miles north of Winamac Indiana. At the park ask the gate attendant for directions to the Group Camp facilities then watch for the small "LF, USA" arrow signs leading to our cabin units.

HOUSING

Participants are housed in small cabins that are equipped with bunks and tables but have no lights or fireplace. We try to provide private cabins for families and groups but we can make no guarantee. Come early for the best choices,

MEALS

Meals will be available at nominal cost in the dining hall. Using this service will avoid missing classes and help us stay on schedule.

HOUSEKEEPING

Live Free is responsible for leaving all facilities as clean or cleaner than when we occupied them. Do not litter. Clean and sweep out your cabin thoroughly. Keep the washrooms and showers clean. PITCH IN AND HELP US CLEAN UP THE MAIN HALL AND OTHER AREAS BEFORE WE LEAVE.

SANITATION

Good washrooms are available close to all cabins. Hot shower facilities are within a short walk.

RULES: DO NOT BRING ANY ALCOHOLIC BEVERAGES, DRUGS OR LOADED FIREARMS INTO THE CAMP. NO NOISE AFTER 11:00 PM. PLEASE KEEP YOUR CABIN AND AREA CLEAN.

WHAT TO BRING: Bring a camp stove, lantern, cooking gear, food, sleeping bags, personal items, etc.. Wear comfortable outdoor clothing and good field boots. Since there will be some hiking activities you may need a compass, survival knife, whistle, canteen, small first aid kit, and a small field pack. A flashlight with a red lens will be required for night field activities. Camouflage clothing and materials are optional but may be needed for some activities. A rain poncho is a good idea. You should have a small notebook and pen to take notes.

CHILDREN AND TEENAGERS: We very much encourage family participation but children and young adults must not be left without adult supervision anywhere in the camp area.

ARRIVAL TIME: We recommend that you arrive **FRIDAY NIGHT** if possible so you can set up your cabin and be ready to participate early on Saturday morning. **Do not arrive earlier than 4:00 PM on Friday** as the camp will not be open. If you come in on Saturday try to be early as activities start at 8:30 AM.

TIME: Operations are conducted on Central Standard (Chicago) time.
